

**1<sup>ST</sup> ANNUAL  
PADDLE FOR A CURE  
SATURDAY, JUNE 5  
LAKE SHERWOOD LODGE**

Has Cancer touched the life of someone you love? There are few of us who have not lost a family member, friend, or neighbor to this disease.

This year there will be an event to raise money for research, as part of the Adams County RELAY FOR LIFE.

Participants from all 3 lakes will be challenged to use a non-motorized device, to follow the shoreline of Lake Sherwood.

Grab a partner, a kayak, canoe, or paddle boat, or any creative object that floats and join your neighbors, family, and friends for a fun event.

This is not a race! We will start early before the heavy boat traffic and each participant can take the time needed to finish. Those unable to take part can still “Captain” a team. No boat? Borrow from a neighbor.

Two residents from each lake are needed to form a Short Term Committee for input of ideas. One or two short meetings would suffice.

Call Barb Duxstad at 715-325-6512 to offer your help or ideas.

This should be a fun event for the whole family, so tell your gang to save

**SATURDAY JUNE 5**

More information to follow in the coming months – Please plan to be there.

**SPAGHETTI DINNER  
KICK-OFF**

**SATURDAY, MARCH 20**

**Cancer Survivors Honored  
with Free Dinner
