Excerpt from Town of Rome Ordinance, passed April 23, 2009:

10.11 LD LAKE DISTRICT; (1) PURPOSE: The LD governs the type of uses and density of development around lakes, including off-shore development and associated subdivisions. The District is intended to avoid overcrowding by requiring certain minimum yards, open spaces and site area while making available dwellings designed for and occupied exclusively by one (1) family.

(2) PERMITTED USES

(a) Single family residences constructed to Wisconsin Uniform Dwelling Code and accessory buildings.

(b) Camping:

1. Limit: one (1) camping unit in a subdivision; two (2) camping units outside of a subdivision.

2. Season: Camping is allowed from April 15 through November 30.

3. Permit Required: An annual permit issued by the Zoning Administrator is required for seasonal camping on any lot on which a single family residence does not exist. An applicant must provide proof that a satisfactory method of sanitary disposal is available and will be utilized.

4. Guest camping: A second camping unit to be occupied by guests of a lot owner shall be permitted on a zoning lot in a subdivision between April 15th and October 15th of each calendar year for no more than three (3) non-sequential periods of a maximum of ten (10) days each in duration. At least fifteen (15) days must elapse between each such period. A guest camping permit issued by the Town of Rome is required.

5. Water/Septic Requirements: Commencing on January 1, 2012, camping may not occur on a lot on which a single family residence does not exist unless said lot satisfies both of the following requirements:

a. Is either connected to water service offered by the Rome Water Utility or is served by a private, code-compliant well providing potable water; and,

b. Is either connected to a municipal sanitary sewer system or is directly served by a private onsite waste treatment system approved by the State of Wisconsin and Adams County.

6. Off-season Camping Permit: Camping is permitted from December 1 through April 14 only upon issuance of an off-season camping permit by the Zoning Administrator. Such camping is limited to no more than two (2) occurrences for a cumulative total of no more than twenty-one (21) days during any off-season period. A separate permit is required for each occurrence and will only be issued upon proof that the camping unit will be connected to either a municipal sanitary sewer system or a private onsite waste treatment system approved by the State of Wisconsin and Adams County.
