

CHOOSE TO RE-USE

May 8 & 9

June 12 & 13

July 10 & 11

August 14 & 15

September 11 & 12

Benefit the environment and our landfills by allowing items in good condition to be reused by another family.

Slightly used items, in good condition and must work may be brought to the Rome Transfer site on the noted weekends. If you are looking for something, you may find it within our treasures. Check back often as things are constantly changing...

If the Transfer Site charges for specific items, we will ask a similar donation just in case your treasure remains. All cash donations are used for future promotional materials and will be applied towards permanent building for this project.

Volunteers are needed to help during the selected weekends. We can use help from an hour to half a day. Please consider becoming involved.

Items We Accept (in good working condition)

- Household goods
- Electronic Items (must work and be safe)
- Garage items, tools, equipment
- Sporting items – fishing, hunting, recreational items (bicycles, water toys, etc.) exercise equipment
- School supplies
- Toys

Items We Cannot Accept:

- Appliances, fluorescent lights, etc.
- Hazardous material, batteries, etc.

You can help in one of several ways

- Donate your time as your schedule allows
- Donate cash to help us continue our activities and purchase a building
- Become involved in our future planning
